LA DORMIDA LODGE

CORDOBA, ARGENTINA

It's not fair to play favorites. But while we love all our lodges, clients often tell us La Dormida is theirs. Maybe it's the dusk-to-dawn dove flights, where birds cross the landscape daily—in waves measured in miles. Or perhaps it's short drives to the rolling hills. Or the opulent field lunches served under the shade of canvas. It might also be the lodge itself, which is a near perfect manifestation of a sporting retreat—built from the ground up to accommodate only dove shooters. Or it could be the meals—dinners and desserts that guests often photograph with their phones. It could be that, too. Whatever it is, you ought to see it for yourself.

La Dormida Lodge offers the best dove shooting in the world coupled with the finest accommodations. Ideal for private parties looking for a top-shelf shooting holiday.
