# CÓRDOBA LODGE

CÓRDOBA, ARGENTINA

**B**uilt on the tradition of over 37 years of dove shooting experience from David Denies Bird Hunting, Córdoba Lodge is one of the newest additions to our portfolio of wingshooting lodges.

Córdoba Lodge was created for groups of up to 16 shooters – groups looking for the ultimate dove shooting adventure in a relaxed atmosphere that also offers an unbeatable value.

Córdoba Lodge features comfortable shared rooms, fine service and short drives to waves of doves and a virtually unlimited variety of shooting scenarios.

## WHY CHOOSE CÓRDOBA LODGE?

- Operated by David Denies Bird Hunting, the pioneers of dove shooting in Argentina since 1984.
- Like its luxurious sister lodges, La Dormida and Pica Zuro, Córdoba Lodge offers an incomparable sporting experience, but at great value.
- With just an hour-and-a-half-hour drive from Cordoba International Airport, most flights will have you arriving in the morning, and hunting just after lunch.
- Ideal for any party from a single family, up to a large group of hunters. With a total of eight well appointed double-occupancy rooms, the lodge comfortably accommodates a maximum of 16 guests.
- More than 250,000 acres of land means that you will shoot a challenging mix of steep hills, sunflower fields, creeks beds, and sorghum acreage, so you can enjoy variety and quality hunting year round.
- Ideally located for shorter drives to the best shooting grounds.
- The lodge offers comfortable “Post-Hunt” amenities, such as an outdoor hot tub, a beautiful, subterranean wine cellar for tastings, masseuse and a newly designed fire pit where you can enjoy evening cocktails while reveling in the stories of the day.
- Luxurious living, à la carte menu, open bar with imported spirits and the best Argentine wines. Safari-style tented lunch in the field assures a full day of hunting and no time lost driving to and from the lodge.

*You'll be treated to an incredible Asado-style lunch, served in the shade of a comfortable safari tent, featuring Argentina's world renowned beef and superb wines.*

## THE SHOOTING

- At Cordoba Lodge the focus of the program lies in the field experience.
- Cordoba is considered the dove shooting capital of the world, with over 40,000,000 doves residing within a 100 mile radius of the lodge. The lodge enjoys 75 shooting fields all within a scenic drive through the region's rich farmland.
- Hunters can experience a wide variety of shooting scenarios throughout the year. The gorgeous, brushy hillside roosting and feeding areas offer great variety, as you can take positions down in valleys, from aside riverbeds and on the peaks and points of the hills. During the fall harvest seasons, hunters might find themselves shooting along agricultural fields of sorghum, corn and sunflowers.
- While each location offers its own special scenarios and shooting opportunities, all offer incredible numbers of fast flying doves.
- In the field each hunter will be joined by a field assistant, who will prepare your shooting blind, provide shells and refreshments and oversee your experience.
- Unlike some other outfitters, David Denies Bird Hunting field assistants are full-time professionals, with years of guiding and shooting experience. There are no young "bird boys" in the field, all of our staff are extremely knowledgeable when it comes to high volume dove shooting, and their expertise will bring your experience to the next level.
- One of the most common questions we are asked, in regard to the shooting is "What Happens to the Birds?". Each day our lodges donate hundreds of pounds of processed dove meat to Mission Esperanza Foundation. We feed 800 children per day and have already built 3 community centers with our donations and those of our guests.

## THE DAILY ITINERARY

- Morning will begin with a wakeup call, approximately an hour before departure time.
- Breakfast will be served shortly thereafter, with everything from waffles to Eggs Benedict, all made to order.
- Hunters will depart the lodge after breakfast, usually around 8:30 - 9:00am. Drives vary depending on season, but generally average around 30 minutes.
- The morning shoot will begin upon arrival at the field. You will be met by your field assistant, and escorted to your shooting position.
- Depending on the time of the year, you will shoot until noon each day, then enjoy an incredible asado lunch, shaded by a comfortable tent or unique hand-made shelter, where you will enjoy Argentina's wonderful beef and superb wines.
- After lunch, and a short siesta, the afternoon shooting begins at around 2 - 2:30, and continues until around 5:00pm, after which you will return to the lodge, where you will be met with cocktails & appetizers, followed by a delicious dinner and time to relax.
