# JACANA LODGE

BUENOS AIRES, ARGENTINA

The David Denies Duck Program draws on the hundreds of years of combined experience our staff brings to the table in guiding, outfitting, and preparing wing shooting programs for discriminating shooting guests. Duck hunting here features comfortable and well camouflaged dry blinds, quality specie-specific decoys, and all the boats, vehicles and trucks to get you to where the ducks are each day.

Guides place you where you need to be to get the kind of duck hunting you've only dreamed of until now. We shoot twice a day, morning and evening, and there is plenty of time to unwind and relax at midday. Roads are good, and drives are short -and better yet- you can reach our duck hunting program by road from Buenos Aires.

Arrive on a morning flight from the U.S. and you'll be hunting ducks after lunch.
