# LA DORMIDA LODGE

CORDOBA, ARGENTINA

It's not fair to play favorites. But while we love all our lodges, clients often tell us La Dormida is theirs. Maybe it's the dusk-to-dawn dove flights, where birds cross the landscape daily—in waves measured in miles. Or perhaps it's short drives to the rolling hills. Or the opulent field lunches served under the shade of canvas. It might also be the lodge itself, which is a near perfect manifestation of a sporting retreat—built from the ground up to accommodate only dove shooters. Or it could be the meals—dinners and desserts that guests often photograph with their phones. It could be that, too. Whatever it is, you ought to see it for yourself.

La Dormida Lodge offers the best dove shooting in the world coupled with the finest accommodations. Ideal for private parties looking for a top-shelf shooting holiday.

- To get to La Dormida Lodge there are daily direct flights from many U.S. cities to Santiago, Chile with connecting flights to Cordoba city. That will allow you to make the most of your trip as you will be dove shooting the day of your arrival (depending on the different flight schedules).

## THE SHOOTING

- **C**ordoba is considered the dove shooting capital of the world. The 100 square mile radius (160 km) around the lodge is annually inhabited by over 40,000,000 million doves. The lodge enjoys 75 shooting fields all within a scenic drive through the region's rich farmland.
- Each day the lodge donates hundreds of doves to Mission Esperanza Foundation. We feed 800 children per day and have already built 3 community centers with our donations and those of our guests.
- The program generally starts at 8:00 AM with a hearty breakfast and short drive to the shoot.
- In the field you will be assigned a field assistant, who will provide you with shells and refreshments and direct you to your shooting stand.
- Depending on the time of the year you will shoot till noon when you will be treated to an incredible barbeque lunch, shaded by a unique hand-made hut, tasting some of Argentina's wonderful beef and superb wines.
- Afternoon begins at around 2 or 2:30 hr., and continues until almost dark.
- There is no definite time to close the shoot.
- Return to the lodge for cocktails and early dinner.
