- Outstanding hunting logistics for all 3 species. From 5- to 45-minute drives.

- Five en suite bedrooms, exquisite “game” menu and great wines.
- The biggest dove roost in all of Uruguay just minutes away from the main lodge.
- Lodge is ideal for small parties or families up to 10 guests.

LOCATION

- **E**stancia San Juan is located in the northwest region of Uruguay in the state of Paysandú near the river town of Paysandú. The lodge is located approximately 336 kilometers or 208 miles away from Montevideo, the capital and the major metropolitan center of this small country.
- Guests of Estancia San Juan have multiple means of arrival/departure from the lodge based on their point of origin or final destination. Most commonly, shooters traveling on international flights to Uruguay and Montevideo International Airport will be met by a San Juan Lodge representative who will assist with gun clearance, if necessary, and who will transport the group to San Juan Lodge. The drive is approximately 3 hours through scenic rural Uruguay via paved highway.
- **OTHER TRANSFER OPTIONS WHICH MAY BE CONSIDERED ARE:**

Private Charter from Montevideo:

Guests arriving into Montevideo may choose to expedite their travels by chartering to the Paysandú airport (40 minutes flight) located approximately 20 minutes from the lodge.

Private Charters from Buenos Aires:

Charter options are also available directly to Uruguay from Buenos Aires for those guests arriving from an Argentine lodge, who have been enjoying the city or who have arrived into Buenos Aires internationally.

THE SHOOTING

- **H**unting and shooting at San Juan offers a variety of game that makes Uruguay a very unique destination not only in South America, but anywhere in the world. It is a rare treat for the wingshooter that hunters can enjoy the pursuit of an upland and marsh mixed bag in the same day, each and every day.
- Each morning you will hunt wild partridge or perdiz in short grass pastures, and over pointers and English setters, or ducks and big wild pigeons by decoying in lagoons and ponds nearby. Every day you will drive to the perdiz fields or to the lagoons for duck and pigeon hunting and return for lunch at the lodge, or stay for a BBQ, the “asado”, done in the field by the staff.
- The afternoon shoot (high volume dove shooting) will start after lunch, and will end at dusk. Each evening you will return to the lodge for cocktails and dinner. Your host and guide, as well as bird boys, will be with you to provide you with challenging shooting, and other necessities such as shotgun shells, refreshments and anything else you may need. Drive time to hunt locations is usually between 10 and 35 minutes for the perdiz, ducks or pigeon fields, and from 5 up to 35 minutes for the dove shooting.
